Reimagining Dedham's Transportation: Creating a Walkable & Bikeable Community

Would you like to be able to walk or bike safely to school, across town, to Dedham Square, Legacy Place, or the nearest MBTA stop? Join us as we discuss the next steps needed to make Dedham more friendly to pedestrians and cyclists. We are seeking *your* input.

We will be joined by Livable Streets Alliance, a nonprofit organization, that promotes safe, convenient and affordable means of alternative transportation.
